

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Don't you want to see your name printed here?

Samuel Kiehl, solicitor for the Miami Valley Hospital at Dayton, is in the city this week on his annual canvass for contributions. This hospital in 1906 cared for

1022 charity patients and 703 pay patients, there being some charity patients from a distance cared for every year.

In the Rynearson-Herron affair, Judge Allread last week referred the matter back to the investigating committee to prepare and present to the court such charges and specifications against George W. Funeral services were held from the Methodist church Sunday afternoon, conducted by Revs. Alden and Herman of the Reformed church, and were quite largely attended.

When the vote was canvassed last week by the City Auditor and Township Clerk, as required by law, an error of 20 votes was found in the Second Ward in favor of W. L. Reis for Board of Public Service, which elects him by a majority of 10. The vote posted at the polls by the judges and clerks after the count election night was 20 short of the correct poll and Wednesday morning showed Steinhilber's election. The new Board will, therefore, be Republican, and will be composed of Rosser and Reis, Republicans, and Smith, Democrat.

My Best Friend.

It has also performed a wonderful cure of incipient consumption for my son's wife. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by Wm. Kipp's Sons, druggists, 50c and \$1.00. Trial bottle free.

DR. KUTCHIN

EX. U. S. EXAMINING SURGEON.

Specialist for the Treatment and Cure of all Long-Standing and Difficult Chronic Diseases and Diseases of the Blood and Nervous System.

Will meet his many patients in this county every month for the next year, and examine all afflicted free. Ohio office, Columbus, Ohio.

Dr. Kutchin has been visiting this County every four weeks for fifteen years.

This well known Specialist in the Cure of difficult Chronic Diseases has consented to visit this county and meet his many patients and friends, and give them an opportunity to consult with him. He is a man of Charge and secure the latest and best treatment for such disorders as the regular family physician is not prepared to treat.

Dr. Kutchin will visit this county every month, thus saving his patients the trouble and expense of visiting the city. And he is the only physician in this county who carries his own Diagrams to illustrate and make plain to all affected the cause and nature of their diseases. He promptly visits a town every four weeks and will so continue as long as God agrees him to the afflicted.

CHRONIC DISEASES.

The Doctor treats not acute diseases, but makes a specialty of chronic and long-standing diseases. Cases given up by other doctors and pronounced incurable he most desires to see. Dr. Kutchin has treated many cases in Ohio in the last fifteen years, many of which had been given up as incurable, some to be blind or others Deaf, and a Large Number to be Invalids for Life. Now they see and hear, and many are on the high road to Health.

The Doctor is surrounded with a fine collection of instruments for examining and treating all chronic diseases of the Head, Face, Eye, Ear, Throat, Heart, Lungs, Stomach, Liver, Kidneys, Bladder, Skin, Brain and Nervous System, Cancers, Tumors, Piles, Swelling, Old Sores, Fits, Paralysis, Neuralgia, Rheumatism, Dropsy, Gout, Sick Headache, Debility, Depression of Spirits, Diseases of Children, Hereditary Diseases, etc., and, in fact, all long-standing and chronic diseases. All surgical operations performed.

EXAMINATIONS FREE TO ALL.

Whenever it is known that Dr. Kutchin is stopping at a place, many consult him, and it is not to be wondered at when it is remembered that in diagnosing a disease he describes the different diseases better than the sick can themselves. It is a wonderful gift for anyone to possess, and Dr. Kutchin's diagnostic powers have created wonder.

He adopted the following plan, which is peculiar to the large hospitals, and is not and never has been the practice of country doctors, viz: he carefully notes the symptoms of the patient and ascertains the condition of the internal organs, all of which he carefully records in his register for future reference. In this way he ascertains the true nature of the disease and its cause. When sick people consult him, he readily tells them whether he can cure or help them, or whether they are beyond hope.

HIS IMPROVED METHODS OF TREATMENT.

Are mild and pleasant, agree perfectly with the most delicate Lady or Child, do not reduce strength; can be used while at work and give the greatest possible benefit in the shortest possible time. Patients can consult him, or communicate with him as often as they choose, during the whole time required for the cure, without regard to where they may be, and without extra charge, thus rendering the treatment as successful and satisfactory as though they were living next door to each other.

DISEASES OF WOMEN.

Such as have baffled the skill of other physicians and remedies. Dr. Kutchin quickly cures Cancers, Tumors, Fibroid and Polyoid. Growths cured without the use of the knife. No cutting, no pain, no danger.

A LIFE OF EXPERIENCE.

The Doctor has had a whole life of study and experience in his profession, and enjoys advantages which fall to the lot of but few. After attending his Full Courses in the Medical Colleges, and graduating with the highest honors, he was not content to stop there, but has since attended other Colleges, and several times reviewed the whole profession, has also traveled extensively for the purpose of improving himself, having visited the best Medical Colleges, Hospitals, Dispensaries, Eye, Ear, Lung and other Medical and Surgical Institutions of Europe, improving every advantage within his command, and devoting the best years of his life to become thoroughly familiar with his profession in all its branches.

LATEST DISCOVERIES AND IMPROVEMENTS.

There are many diseases which physicians in common practice do not usually treat, and are therefore seldom prepared with necessary and costly outfit to examine correctly, or treat with success. Such cases, therefore, would do well to call at once and learn their true condition, and whether the doors of Hope are yet open, or forever closed against them.

DELAY IS DANGEROUS.

Are you afflicted? Your case may now be perfectly curable, but remember, every moment of neglect brings you nearer its incurable stages, when, perhaps, the most skillful physician can render you no assistance. The present is ours, the future may be too late.

Free Examination of the Urine.—Each person applying for medical treatment should send or bring 2 to 4 ounces of urine, which will receive a careful examination. Persons unskillfully treated by ignorant pretenders who keep trifling with them month after month, giving poisonous and injurious compounds, should call and see the Doctor.

Cases and correspondence confidential. Treatment sent C. O. D. to any part of the United States. Correspondence with invalids solicited. All letters with stamps enclosed answered free.

Call and be examined and at least learn the cause of your disease, and if it can be cured. Tape Worms removed in from three to five hours without starvation. The remedies for the whole course of treatment are furnished from the Office, all at once or by the month.
